Class 10 board season: parent message series (Nov 2026 – Feb 2027)

These messages go with the **90-Day Board Revision Plan**. Each one is ready to paste into WhatsApp. Change only the `[brackets]`. Group messages never name a student or show marks. Anything about one child goes one-to-one. For the 9th Foundation group, use the "Respected Parents" style instead. These messages are for Class 10.

When	Message	To
Fri 6 – Sun 8 Nov	1. Kick-off	Class 10 group
Every Saturday	2. Weekly test reminder	Class 10 group
Around Mon 30 Nov	3. One-month check-in	Class 10 group
Around Mon 21 Dec	4. Catch-up week	Class 10 group
Around Mon 28 Dec	5. Mock 1 announcement	Class 10 group
After each mock	6. Mock result	One-to-one (use the **test-results** skill)
Any time	7. Falling-behind check-in	One-to-one
Around Mon 11 Jan	8. How parents can help	Class 10 group
Around Mon 1 Feb	9. Final week	Class 10 group
Night before first paper	10. Good luck	Class 10 group
After the last paper	11. Thank you	Class 10 group

1. Kick-off

```
Hello Parents,
Board exams are about 3 months away, and we're starting our 90-day
Science revision plan on Monday, 9 November 📚
Here's how it works:
• 2 chapters a week, each with a revision sheet and a test
• Weekly tests on [day] at [time]
• 2 full board-pattern mocks in January
I'll share the plan with the students. It would really help if you
keep an eye on their daily revision at home. About 1.5 hours of
Science a day is enough.
Thank you!
```

2. Weekly test reminder

```
Hello Parents,
Quick reminder: this week's Science test is on [day, date] at [time].
Chapters: [chapter names]
Please make sure they revise the diagrams and equations once 🙂
Thank you!
```

3. One-month check-in

```
Hello Parents,
We're one month into the revision plan, and the first six chapters are done ✅
Most students are doing really well with the weekly tests. Some still need more practice with [numericals / writing full answers / diagrams], and we'll keep working on that in class.
I'll message you individually if there's anything specific about your child.
Thank you!
```

4. Catch-up week

```
Hello Parents,
This week is our catch-up week. Each student will re-do their weakest chapters, along with a diagrams day and a numericals day.
[Holiday info, if any: No class on [date].]
It's a good week to make sure nothing is pending before the mock exams start.
Thank you!
```

5. Mock 1 announcement

```
Hello Parents,
Our first full board-pattern mock exam is on [day, date], [start time] to [end time] (3 hours, 80 marks).
Please make sure they come 10 minutes early with pens, a pencil, an eraser and a scale.
We'll go through the paper together afterwards, and I'll share each result with you individually.
Thank you!
```

6. Mock result (one-to-one)

Use the **test-results** skill. Share the marks, and it drafts one message per parent in the right tier: top, steady, or needs support.

7. Falling-behind check-in (one-to-one)

```
Hi! Hope you're doing well.
[Name] has been [genuine positive: regular in class / trying hard] 🙂
In the last few tests, though, [he/she] has been losing marks in [area].
With the boards close, I'd like to give [him/her] some extra practice: [plan, e.g. one worksheet every two days].
Could you check that [he/she] spends 20 minutes on it at home? Happy to talk anytime.
```

8. How parents can help

```
Hello Parents,
A few small things that make a big difference in the next few weeks:
• 7–8 hours of sleep. Late-night studying usually backfires
• Phone and social media kept to a minimum during study hours
```

• Light, home-cooked food and plenty of water
• Please avoid comparing with other children. Encouragement works much better 🙂
The students are working hard. Let's keep them calm and confident.
Thank you!

9. Final week

Hello Parents,
We're in the final week before the boards. From now on it's only light revision: no new topics.
Please check that they have their admit card, pens, a pencil, an eraser, a scale and a transparent water bottle ready a day before the exam.
Science exam: [day, date]. Reaching the centre [time] early helps them settle down.
Thank you!

10. Good luck

Hello Parents,
Board exams start tomorrow! The students have put in a lot of effort these past months 💪
A good night's sleep and a calm morning will help more than any last-minute revision.
All the best to every one of them!

11. Thank you

Hello Parents,
The board exams are done! 🎉 Thank you for your support and trust throughout the year.
It was a pleasure teaching your children. Please do stay in touch and share their results with us when they come out.
[Optional: Admissions for Class 11 / next year's batches open on [date].]
Thank you!
